Although no single criterion is used as a determinant for acceptance and we have no minimum GPA requirement for admission, the great majority of students who gain admission to Eckerd College have a college GPA of 2.7 or higher.

Students who are admitted with an Associate of Arts degree from a Florida public community college receive junior standing. A maximum of 63 credits may be transferred from a two-year community college. Evaluations of previous college work by students who do not have an AA are conducted on a course-by-course basis.
