AUTHORIZATION TO CHARGE BOOKS & SUPPLIES TO MY STUDENT ACCOUNT

I authorize Eckerd College Bookstore (Barnes & Noble) to charge my books & supplies to my student account. I have been awarded Title IV financial aid in excess of my tuition & fees which I would like to use towards my bookstore charges.

I understand that bookstore purchases are limited to books & supplies that are related to my course studies only.

I understand that if there is any loss of financial aid that results in a balance due, that I am responsible to satisfy this debt immediately.
