## Narrative Response

The following information is solicited as a means of learning more about you and determining the appropriateness of PEL for you. Please give a thoughtful one paragraph response to each question on this page or on a separate sheet of paper.

1. List three books you have read in the last year. Discuss why at least one of these books was important to you.

2. What publications do you read on a regular basis?

3. If you are employed, describe your responsibilities.

4. Describe volunteer activities in which you are involved; include any leadership responsibilities you have had.

5. Describe a significant personal or professional accomplishment.

## Essay

Write below or on a separate sheet a 250 word essay discussing the significance of an Eckerd College degree for your own personal goals and growth. The essay should address such issues as the meaning of education for you both personally and professionally. This essay should be carefully considered and written with your best effort at standard form and usage.

To the best of my knowledge the information in this application is true and correct.
