

'07 Charleston Fall Open  
College of Charleston  
Sept 15 & 16 2007

FINAL RESULTS

REGATTA HIGHLIGHTS: 14 teams competed in this year's Charleston Fall Open. We completed 8 races in each division on gold cup courses located to the west of the Patriot's Point Marina.

Saturday: Early morning wind of 5-8 knots from the North allowed us to complete 2 races in each division. By mid-day we had more current than wind and postponed ashore for several hours. With average wind readings of zero knots for a sustained period, racing was abandoned for the day at 3:30 pm.

Sunday: Sunday was a beautiful day for sailing and we completed 6 races in each division. The breeze started out at 10-12 knots from the NNE with relatively little current. As the day progressed the wind shifted consistently right with decreasing velocity, but with large gust moving across the course from the left making for some interesting sailing. The current increased throughout the day with max ebb at 3 pm and was a significant factor in the final set for each division. The final race was sailed in 5-8 knots from the East with the windward mark right off the rotation wall.

Thank you to all the competitors for coming to this year's event and for your patience on Saturday; and to Colin Bentley and the Charleston team members who were on hand to help with RC and rotations.
