

South Points #3
University of Florida
March 1, 2008
RESULTS

The day started with postponement until noon when the wind began to fill. It quickly died off to a light, variable, and shifty breeze. Three windward leewards were completed in each division in extremely challenging conditions for all the sailors on the water. Thanks to the teams that made it out for the regatta and congratulations to Eckerd for winning South Points 3.

A Division = 3 Races
B Division = 3 Races
Team A B Total

1. Eckerd	14	4	18
