

The Bob Bavier Team Race
College of Charleston
February 25-26- 2006

Regatta Highlights- Saturday, Racing started at 10:00 in a light easterly breeze (4-6knots) with an ebbing tide. The breeze slowly shifted right as the morning progressed, with the breeze increasing a little (6-8knots). As the rain approached the breeze became a little unstable resulting in a lunch break, 17 races were completed in the morning. After an extended lunch break the wind filled from the northeast around 2:45 at about 5-8 knots. The full round robin was completed. Three protests were filed with one DSQ, thanks to Mike Callahan, Adam Werblow, Greg Wilkinson, and Jim Terkelsen for hearing protests.

Sunday, Racing began early with a report time at 8:30. The breeze was strong (18-22 knots) from the northeast. A second round robin was completed with an single final four. There were many protests with three of them resulting in DSQ and one re-sailed race. Thanks to all the coaches for hearing the protests, and the College of Charleston sailors that helped run the event.

Congrats to St Mary's for winning the 2006 Bob Bavier T R.
