

Saturday: Today we sailed in the N cove and completed 12 races in each division. We started the morning with winds blowing from the NW 8-12 knots. We had the dinghies on one course sailing gold cups and the lasers/radials on another course sailing windward-leeward, twice around with a gate. The wind shifted to the west mid-day, at this time all fleets sailed on one trapezoid course. The wind velocity varied greatly each race and sometimes on a single leg from 4-14 knots.

Sunday: Today we finished the full rotation of 20 races in each division. The final 8 races in the 4 divisions were sailed in the Severn River; all fleets sailed on one trapezoid course. The wind was very shifty from the NW 5-12 knots.
