REGATTA HIGHLIGHTS:

Another beautiful day in Charleston. Racing was postponed until noon due to lack of wind. Southerly filled in nicely to about 8 to 10 knots and was relatively steady. There was a strong ebb tide to begin with, a brief time of slack tide, and then a flood tide built through the conclusion of racing. 3 races in each division were completed with goldcups and triangle windwards as courses. There were no brakedowns or protests filed.

Big thanks to C of C undergrads for helping in running races and keeping the rotation going.
