

SAISA Team Race Championship
Eckerd College
3/31/07

Regatta Highlights: Saturday's racing was highlighted by the consistent breeze and flat waters, which made for good team racing conditions. 5 teams sailed 30 races to complete a triple round robin by 4pm. Winds were ESE at 8 to 12 mph with sunny skies and warm temperatures. The digital N was used throughout the day. No breakdowns and no redress. SAISA used the Expedited Protest Procedure and judges heard 3 protests which resulted in 2 DSQ's and 1 protest being disallowed.

Thanks to all the Tritons and PRO Matt Gove for running races. Extra thanks to our judges, Tom Farquar, Barbara Farquar, Ann Newton and Judy Hanlon for doing a great job on the water.

Congrats to College of Charleston and South Florida for qualifying for the ISCA National Team Race Champs.
