 FINAL RESULTS

REGATTA HIGHLIGHTS:

The University of South Florida hosted the SAISA SP-3 regatta Feb 17, 2007. Conditions were extremely cold, with overnight lows hovering near 30 and the daytime high just above 50. Eight schools sailed, plus three JV teams.

The morning sets were sailed in relatively steady 5 knot winds from the NE. The promised westerly breeze was very erratic, though, shifting from NW to W to WSW, sometimes varying as much as 90 degrees on one weather leg. After several abandoned starts and races, the wind finally settled, and the last few sets were sailed in 10 to 14 knots.

Courses were standard or modified windward-leeward, averaging 14 minutes long. No protests were filed, and one breakdown was awarded. Congratulations to the winning Eckerd team, and thanks to USF Team Captain Phil Tanner and team alum Abby Ethington for their assistance.
