Sunday: The breeze came in around noon from the SE and eventually went to SSW. Four races were sailed in each division in a shifty 5-12kts. Again there was a strong flowing current resulting in numerous general recalls and tricky runs. Courses were windward leewards with an offset and a gate.

On the water judging was used on both days to enforce rule 42 and to monitor fouling. Judges blew whistles to note visible/audible flagrant fouls. Under this system 36 voluntary spins were performed (720s and 360s). 2 warnings were issued for rule 42. There were two requests for redress with one granted and one protest resulting in a DSQ.

Saturday: It was a clear, chilly day on the Thames River with a shifty northwesterly breeze starting at 12 to 15 knots with puffs around 20 knots. The breeze tapered off towards the end of the day to around 5 to 10 knots.

A special thank you to PRO Suzi Duncan '03, Judges: Mike Buckley, Kirsten Barton '05, Erin Riley '06, Niko Kotsatos '05, and Race Committee: camel sailors.
