

USF Women's Intersectional
University of South Florida
March 3-4, 2007

FINAL RESULTS

REGATTA HIGHLIGHTS:

SATURDAY Cloudy skies and light drizzle greeted the eight teams racing at USF Women's Intersectional. Winds were perfect, from the north at 10 to 15 knots, with just enough wave action for some good rides. Nine races were completed in each division, all Gold Cups, averaging 17 minutes.

SUNDAY Sunny skies, temps near 70, winds 8 to 12 knots. Modified trapezoids and windward-leeward sailed for the remaining 7 races, averaging 18 mins.

Thanks to UC Irvine, Texas, and BC for making this an Intersectional, and to all the SAISA schools who participated. Thanks to coaches from Charleston and BC for their assistance on the water, to USF alum Andrew Blom, and to USF team member Dave Weaks.

Congrats to College of Charleston freshmen women sailors who continued their winning streak.
